

REPORT ON 2020 BUDGET DIALOGUE AND STAKEHOLDERS' ENGAGEMENT HELD ON 3RD SEPTEMBER, 2019 AT THE STATE CULTURE CENTRE, DAMATURU

Introduction

The Budget is the second most important document after the constitution of a given society, thus in an effort to enriched this noble document, all stakeholders must work together with clear understanding and commitment. Indeed, community and citizens' participation in the budget process is one of the paradigm shift and best practices all over the world, as the people are involved right from the beginning of the process. This practice ensures equal representation, reduces wastage and guarantees better budget implementation and monitoring.

In accordance with democratic setting and best practices, every responsible citizen has the right to know how the communal wealth is being expended to administer good governance for the implementation of developmental policies and programmes.

Furthermore, as part of Yobe State reform to engage citizens in governance, the Ministry of Budget and Economic Planning has been producing an abridged version of the budget booklet into citizen's guide. The citizens' guide provide details of the state budget in a non-technical manner. It explains what the State budget is, how it is prepared, how government intends to mobilised funds and what the funds will be spent on.

The 2020 Budget Dialogue and Stakeholders Engagement

The dialogue look Place on the 3rd of September 2019 at the Yobe State Cultural Centre Damaturu. In attendance were Development/Humanitarian actors, Directors Planning Research and Statistics from MDAs, Civil Society Organization (CSOs) community Based Organization (CBOs) Traditional Rulers, local Government Chairmen, Persons from the Academia and State House of Assembly Members.

The event commenced with a presentation of key note address by the Permanent Secretary, Ministry of Budget and Economic Planning, where he appealed to the participants to give meaningful

and fruitful contribution that would form part of the 2020 budget. He informed them that, Yobe is amongst the few State that prepares a realistic budget, as such all their request for execution of project could not be contained in the 2020 budget, some of the request may have to be carried forward to 2021 budget. He equally mentioned that the 2020 citizens' guide would be produced in local languages of Hausa, Kanuri and Fulfulde.

At this juncture, the Director budget explained at length, the budget process such as what is budget, the budget circle, budget preparation and Planning as well as budget approval/legislation.

Objectives of the citizens' engagement.

- i. Create platform to educate and enlighten the general public on the process and procedures of budgeting.
- ii. Give citizens the opportunity to participate in budget preparation, governance and make input into the year 2020 budget.
- iii. To ensure that when the 2020 budget is passed by the House of Assembly and assented to by the Executive Governor, it can be owned by the people of the State as the peoples' budget.

Highlights of some of the citizens' need for inclusion into the 2020 Budget

After having a firsthand information about the budget preparation process and implementation, the participants made the following request:-

- i. Construction of earth dam at Damagum for irrigation activities;
- ii. Construction of Tikau – Jajere road;
- iii. Construction and equipment of FM Radio at each of the 3 Senatorial zone;
- iv. Rehabilitation of BEST centers at Nguru and Potiskum to boost creation of self-employment by the youth;
- v. Request by a resident of Abbari ward (Abba Ibrahim estate extension) for the provision of electricity to the ward;
- vi. Rehabilitation of blind workshop Damaturu and Potiskum.

Closing Remarks

The Director Planning, Ministry of Budget and Economic Planning while delivery his closing remarks thanked each and every one that participated and contributed towards achieving the successful conduct of the 2020 citizens' engagement.

He advise all Directors Planning Research and Statistics to take note of the needs forwarded by the citizens with a view to including them in their 2020 propose budget estimate, where the cost of a project could not be accommodated in the 2020 budget it could be spread over a period of three years 2020-2022 as Yobe state is using a multi-year budget process.
