The event for Yobe South was attended by Directors Personnel Management of Nangere, Fune, Fika and Potiskum Local Government Areas, District Heads and representatives of the Emirs and other dignitaries from all level of governance in the senatorial district.

The event commenced with opening prayer by Ustaz Salisu Auwal, the District Head of Ngojin who ably represents Mai Potiskum, His Royal Highness the Emir of Potiskum at about 11:30am.

In his opening remarks, the Overseeing Permanent Secretary, Ministry of Budget and Economic Planning, representing the Honourable Commissioner who is unavoidably absent stressed that all the wordings are that of the Honourable Commissioner, after welcoming the participants for attending the event. He emphasised that the event is an attempt to gather useful information from the citizens which will be compiled to serve as an input to the state budget; this further justifies state's transparency and accountability in the budget process which calls for inclusive governance for all.

The Director Personnel Management, Potiskum Local Government while delivering a goodwill message wished the participants a happy journey, indicating that budget plays a vital role in every government, the event will enlighten not only the citizens but the local government officials, more especially the local government budget office on the intricacies of the budget and budgetary process, hence the need for participation by every stakeholders and the citizens at all levels.

In his remarks, Musa Waziri Kollere, the Reform Facilitator-Northeast, PERL-ECP, said that the journey started in 2016 with a concern on how the citizens can be involved in the budget process, as they observed that the citizen didn't understand the need to participate in the governance, but now are conversant and eager to participate and fully involved in all the processes. He added that this years' event was integrated into zonal event and that PERL-ECP is happy to associate with Yobe State Government for given the citizens a voice and listening ears.

He further stated that the journey started with the formation of Voice and Accountability Platform with the concern of how the citizens voice will be heard and their needs included into the state budget. He emphasised that all citizens needs must be compiled and submitted to the relevant MDAs for inclusion into the state budget.

He added that PERL-ECP which is one of the PERL's three pillars, is very happy to be alive and present here in this event and therefore wish the stakeholders fruitful deliberations.

The Director of Budget, while presenting the policy direction of the government for 2021 fiscal year, explained that section 121(1) of the Constitution of the Federation Republic of Nigeria states that *"the Governor shall cause to be prepared and laid before the State House of Assembly (SHoA) at anytime before the commencement of each financial year estimates of the revenues and expenditure of the state for the next following financial year"*. She emphasised that the stakeholders' engagement and citizens dialogue is conducted to ensure that government executes projects in the areas of needs of its citizens, which by implication will help in formulation of government policies and programmes.

She reiterates the need for more citizens participations in budget process and governance at all levels, which she said the event is aimed at carrying every citizen along in the governance and budgetary process. She further explained that the government policy directions in 2021, is the completion of ongoing projects in the various sectors with more emphasis in education, agriculture, environment, healthcare delivery services, provision of access roads, water supply and sanitation facilities, connecting more towns and rural communities to the national grid etc which will further accelerate government's effort to post-insurgency resettlement, rehabilitation, reconstruction and peace building among others.

She emphasised that government does not intend to embark on the execution of new projects except the construction of 5km township roads in the major towns Damaturu, Potiskum, Gashua, Nguru and Geidam. In addition, the 2021 budget will focus on the improvement of critical infrastructures such as roads, healthcare facilities, education, water supply etc.

Having kept the participant abreast with the policy direction of government for 2021 fiscal, she was of the conviction that the stakeholders will key in their inputs accordingly.

Hon. Rabiuh Alh. Musa Lawan who ably represented the Chairman, House Committee on Appropriation who was unavoidably absent, while delivering his keynote address reiterate that having a cordial relationship between MoBEP and SHoA on matters concerning budget preparation and implementation augur well for the socio-economic development of the State and emphasised that every budgetary process was done jointly year-on-year with the members of the State House of Assembly.

A compiled need of the citizens need of Yobe South Senatorial District was presented by Baba Kucici, Chairman AP Budget, Yobe Network of Civil Society Organization to the Honourable Commissioner, Ministry of Budget and Economic Planning who is ably represented by the overseeing Permanent Secretary.

After a lengthy and exhaustive deliberations, the following issues were rise by the participants.

- i. What was the provision made for People Living with Disability in the 2021 proposed budget?
- ii. What is the budget implementation follow-up processes?
- iii. What is the government plan for curtailing the effect of flooding?
- iv. What is the government plan for fighting malaria?
- v. Some borehole collapsed for years, which requires government attention
- vi. Most of the healthcare centres doesn't have adequately trained personnel, what is the government plan?
- vii. Tikau-Jajere road had been damaged with potholes, what was government plan?
- viii. The need to construct government girls' secondary school in Nangere Local Government Area.

Responding to the questions, the overseeing Permanent Secretary, MoBEP, explained that: -

- i. The vulnerable group to compiled their need which is not yet included in the compiled citizens' needs presented to him by the CSOs, and submit same to the Ministry of Budget through Ministry of Youths, Sports, Social and Community Development for consideration;
- ii. The concern citizens will be guided on how to track the budget implementation process and follow-ups by the CSOs in their respective LGAs;
- iii. On the issue of curtailing floods, government will put effort to evacuate and construct more drainages across the state;
- iv. On fighting malaria, rehabilitation of 53 Primary Healthcare across the state is currently ongoing, which if completed will provide the much-needed healthcare services to the citizen. He further emphasised that using the Abuja declaration, some reasonable percentage of the state budget will be allocated to Health Sector to fight malaria and other viral and communicable diseases, so also the recently established Contributory Healthcare Management Agency will increase the citizens access to healthcare services;
- v. Some of the projects is the responsibility of the local government, therefore, they should contact Water Corporation and lay their complaint so as to include the collapse boreholes in their budget proposal;
- vi. Adequate number of sanitation workers, CHEWs, JCHEWs and other healthcare personnel will be employed across the 17 LGAs of which approval to that effect has been secured;
- vii. Government did not intend to start new project but concentrate on completing the ongoing projects;
- viii. Development partners had been helping the state government in educating the girl-child, and this was plan 5 years ago, more classrooms and schools will be rehabilitated and expanded to accommodate more student and there is plan to extend girls secondary school across major towns and LGAs headquarters across the state;

In his contribution, the Ag. Director of Planning, Ministry of Budget and Economic Planning, stressed that government along cannot shoulder all the responsibilities of the people. The citizens must do own part to generate revenue, evacuate the culverts, shun from dumping refuse into the culverts etc, however, government devoted from its meagre resources to allocate a 5km roads in the 2021 budget, and all the issues raised will be brought and discuss when conducting the budget bilateral discussion with MDAs concern.

He further explained that Internally Generated Revenue (IGR) is very low, which cannot fund a single MDAs expenditure for a year. He maintained that Special Adviser on People Living with Disabilities had been given consideration to implement the PLWDA laws, in addition, YESSO is there helping people ward-to-ward by selecting 30 people for support and empowerment, using the indigent who knows the most poor and vulnerable persons in their respective ward, this will further help in alleviating poverty and grievances.

The Reform Facilitator, PERL-ECP, appreciates the efforts put in place by the Ministry of Budget and Economic by implementing best practice in their budgetary process, indicating prudence, transparency, accountability, increasing citizens participation in the budget process as well as creating an enabling environment for tracking budget implementation. He pleaded that such a gesture be extended further to include not only the senatorial district but also the ward level, so as to hear-from-the-horse-mouth for more inclusive governance at all level. He added that PERL is working hand-in-hand with the government agencies in all three the pillars, helping Yobe State at all level of development in its derive to tackling insurgency and restoring peace in the state.

In his closing remarks, the Ag. Director of Planning, Ministry of Budget and Economic Planning, indicate that citizens can visit the website, consult the budget, financial statement among others through the local government budget office and all the complaint raised will be delivered and handed over to the relevant government agencies.

The meeting closed with prayers offered by Ustaz Salisu Auwal at about 2:00pm.

## STAKEHOLDERS' ENGAGEMENT FOR YOBE NORTH SENATORIAL DISTRICT HELD AT UMAR SULAIMAN EVENT HALL, OLD LOCAL GOVERNMENT LODGE, GASHUA ON MONDAY 28<sup>TH</sup> SEPTEMBER 2020.

The event started about 11:11 am with opening prayer by Malam Mohammed. The Hon. Commissioner, Ministry of Budget and Economic Planning, ably represented by the Special Adviser to His Excellency on Budget Matters, delivered the opening remark. This is followed by a goodwill message by representative of the Chairman, House Committee on Finance and Appropriation, a member representing Machina Constituency.

In his speech, he stated that, *“the purpose of this gathering is to sensitize the traditional rulers and people at Community level to give their needs/input for inclusion in the 2021 budget through CBOs, this will carry along the citizens at grassroots closer to the government”*. He emphasized that this kind of engagement will be extended to local government and ward level in the near future.

The Director of Budget, represented by Dir. Director Statistics, gave a brief highlight on the budget preparation process and policy direction of government in the year 2021, stated that, *“the importance of this engagement is to ensure that government executes projects in the areas of needs of its citizens as well as help in the formulation of government programmes”*. He further explained that, the main policy direction of government is the completion of ongoing projects, especially in the priority areas of Education, Agriculture, Environment, and Healthcare delivery services, Construction of Roads and provision of Water etc.

The Executive Chairman, NYSCO, ably represented by Alh. Baki Yakubu presented a compiled citizens' needs for Yobe North Senatorial District to the Hon. Commissioner Min. of Budget and Economic Planning for inclusion in 2021 budget. He further solicits to government to incorporate it in to the budget proposals.

After a lengthy deliberations, presentations, observations, questions, contributions and comments followed, where Hon. Ya'u Dachia made an observation that, there is need for a translation of the main objective of the event in Hausa Language for the benefit of the larger community. Mu'azu Alh. Moh'd, a representative of RF, PERL-NE who translated the whole purpose of the engagement/dialogue in House language.

A member representing Machina constituency also commended the efforts of the CBOs for a great job they have been doing toward bringing the masses closer to the government. He further explained that *“this CBOs are not civil servant and I don't know where they are getting money for doing this work. But they strive in getting logistics for their work”*.

Malam Tijjani Umar, a CBOs' representative appreciated the government's effort for considering their citizens' need for the year 2020 that was the renovation of kumaganam health facility. Also, an appeal from Jakusko that, government should look at the Gir-Gir Karage road and the construction of Jambail to Dapchi road so as to reduce the hardship people are facing.

Jaji-Maji Comprehensive Health Centre required government attention because Jaji- maji and its environment rely on PCHas complain raised by Mu azu Jajimaji.

An observation from Nguru that some of the projects executed at some Community is not their priority, instead of making proper use of it, it will be used for another purpose e.g. to keep their farm residues or other thing. He also raised very important issues that, many primary school teachers do not go to their place of primary assignment because they have godfather that nothing will happen to them.

A member representing Jakuko, Hon. Ya'u Dachia responded to some of the issues raised by the participants. He said government will consider the renovation of PHC Jajimaji in the near future. For the fact that they are closer to Nguru and Gashua, it has to look at some place that have difficult in accessing the healthcare services. He concluded that, the resources are limited and the demand by citizens or needs are many, so government has to prioritize the people most urgent needs/demand.

A vote of thanks was given by the DPM/Chairman Bade Local Government. In his remarks, he called on people at community level that, once government execute a project at community, it is their responsibility to take the ownership, and make proper use of it and they should not allow any misuse or distruction of the project.

The closing prayer was delivered by a volunteer at around 2.00pm.
